

WELL LOG AND DRILLING REPORT

DNR 7802.05e

Ohio Department of Natural Resources
Division of Geological Survey, 2045 Morse Road, Columbus, Ohio 43229-6605
Phone (614) 265-6576

Well Log Number

3003042Page 1 of 1 for this record.

WELL LOCATION	CONSTRUCTION DETAILS																																																																																
County <u>FRANKLIN</u> Township <u>PLEASANT</u>	Drilling Method: <u>AIR ROTARY</u>																																																																																
JENNIFER CORAL Owner/Builder	BOREHOLE/CASING (Measured from ground surface)																																																																																
3843 HARRISBURG GEORGESVILLE RD Address of Well Location	1 { Borehole Diameter <u>8.75</u> inches Depth <u>122</u> ft. Casing Diameter <u>5</u> in. Length <u>124</u> ft. Thickness <u>0.265</u> in.																																																																																
City <u>GROVE CITY</u> Zip Code +4 <u>43123</u>	2 { Borehole Diameter <u>4.75</u> inches Depth <u>35</u> ft. Casing Diameter _____ in. Length _____ ft. Thickness _____ in.																																																																																
Permit No. <u>2022039</u> Section; _____ and/or Lot No. _____	Casing Height Above Ground <u>2</u> ft.																																																																																
Use of Well <u>DOMESTIC</u>	Type { 1: <u>PVC</u> 2: _____																																																																																
Coordinates of Well (Use only one of the below coordinate systems)	Joints { 1: <u>SOLVENT</u> 2: _____																																																																																
Latitude, Longitude Coordinates	SCREEN																																																																																
Latitude: <u>39.87257</u> Longitude: <u>-83.2074</u>	Diameter _____ in. Slot Size _____ in. Screen Length _____ ft.																																																																																
Elevation of Well in feet: <u>908</u> +/- _____ ft.	Type _____ Material _____																																																																																
Datum Plane: ☐ NAD27 ☐ NAD83 Elevation Source <u>DIGITAL MAP</u>	Set Between _____ ft. and _____ ft.																																																																																
Source of Coordinates: <u>GPS</u>	GRAVEL PACK (Filter Pack)																																																																																
Well location written description:	Material/Size _____ Vol/Wt. Used _____																																																																																
	Method of Installation _____																																																																																
	Depth: Placed From: _____ ft. To: _____ ft.																																																																																
	GROUT																																																																																
	Material <u>BENTONITE SLURRY</u> Vol/Wt. Used <u>900</u>																																																																																
	Method of Installation <u>PUMPED WITH TREMIE PIPE</u>																																																																																
	Depth: Placed From: <u>0</u> ft. To: <u>122</u> ft.																																																																																
	DRILLING LOG*																																																																																
Comments on water quality/quantity and well construction:	FORMATIONS INCLUDE DEPTH(S) AT WHICH WATER IS ENCOUNTERED.

WELL TEST *																																																																																	
Pre-Pumping Static Level <u>70</u> ft. Date <u>6/27/2022</u>																																																																																	
Measured from <u>GROUND LEVEL</u>																																																																																	
Pumping test method <u>AIR</u>																																																																																	
Test Rate <u>15</u> gpm Duration of Test <u>1</u> hrs.																																																																																	
Feet of Drawdown <u>0</u> ft. Sustainable Yield <u>15</u> gpm																																																																																	
*(Attach a copy of the pumping test record, per section 1521.05, ORC)																																																																																	
Is Copy Attached? ☐ Yes ☒ No	Flowing Well? ☐ Yes ☒ No																																																																																
PUMP/PITLESS																																																																																	
Type of pump _____ Capacity <u>0</u> gpm																																																																																	
Pump set at <u>0</u> ft. Pitless Type _____																																																																																	
Pump installed by _____																																																																																	
I hereby certify the information given is accurate and correct to the best of my knowledge.																																																																																	
Drilling Firm <u>STAGE INC (DBA R C BARRY)</u>																																																																																	
Address <u>6531 W BROAD ST</u>																																																																																	
City, State, Zip <u>GALLOWAY OH 43119</u>																																																																																	
Signed <u>TODD STAGE</u> Date <u>9/1/2022</u>																																																																																	
(Filed Electronically)																																																																																	
ODH Registration Number <u>000368</u>	Last Revised on <u>7/1/2025</u>																																																																																
Aquifer Type (Formation producing the most water.) <u>LIMESTONE & CLAY</u>																																																																																	
Date of Well Completion <u>06/27/2022</u> Total Depth of Well <u>157</u> ft.																																																																																	

Completion of this form is required by section 1521.05, Ohio Revised Code - file within 30 days after completion of drilling.
Distribute copies of this record to Customer, and Local Health Department.
