Pump installed by _____

SKETCH SHOWING LOCATION

Locate in reference to numbered
State Highways, St. Intersections, County roads, etc.

N.

A hand-drawn map showing a property layout. A horizontal line represents a road, with 'W.' written on the left side. Above this road, 'GIROLED RD' is written. To the left of the road, two vertical lines represent other roads: 'AUBURN' and 'NEW 44'. To the right of the road, there are two vertical lines labeled 'ORCHARD' and 'TIMBERLANE'. A diagonal line with cross-ticks runs from the top right towards the intersection of 'NEW 44' and the horizontal road. Another diagonal line with cross-ticks runs from the bottom left towards the intersection of 'AUBURN' and the horizontal road. A small 'x' is marked on the horizontal road between 'ORCHARD' and 'TIMBERLANE'. In the bottom right corner, there is a handwritten calculation: '101' over '99'.
