A hand-drawn map showing the intersection of Hartland Center Rd and Collins Rd. The map is oriented with North (N) at the top, South (S) at the bottom, East (E) to the right, and West (W) to the left. Hartland Center Rd is a vertical line, and Collins Rd is a horizontal line intersecting it. A well, represented by a square with an 'X' inside, is located to the west of the intersection. A double-headed arrow between the well and the intersection is labeled $\frac{2}{10} \text{ M}$. An arrow points from the text 'HARTLAND CENTER RD' to the vertical line. The text 'collins RD' is written below the horizontal line. The cardinal directions N, S, E, and W are written at the corners of the map.
